ORDER:

In the reference read above, the Engineer-in-Chief (R&B), State Roads, Hyderabad has stated that the Chittoor Bypass road is an important Major District Road and also upgraded to State Highway. This bypass road connects Chittoor – Kadapa – Kurnool road (NH-18) @ Km.4/6 and Chennai – Chittoor – Bangalore road (NH-4) @ Km.158/4. This is a double lane B.T. road of length 10.351 Kms. Chittoor Town is District Head Quarters and very much nearer to both Tamilnadu and Karnataka State Capitals i.e., Chennai (Tamilnadu) and Bangalore (Karnataka). Traffic coming from Chennai, Bangalore and Vellore towards Tirupati and Kanipakam (which are world famous pilgrimage centers) have to travel via Chittoor. As such the traffic intensity on this road is very high. To prevent traffic congestion in Chittoor Town, a Bypass road was formed during the year 1999 connecting two National Highways i.e. N.H.-18(Chittoor – Kurnool road) and N.H.-4 (Chennai – Bangalore road). This road connects two National Highways and three States i.e. Andhra Pradesh, Tamilnadu and Karnataka and hence the traffic intensity is equal to the traffic intensity of National Highways i.e. 2107 CVPD and 8851 PCUs. In view of strategic location, high traffic intensity and pilgrim importance, it is necessary to strengthen the road to withstand the traffic requirements. An amount of Rs.800.00 Lakhs is required for taking up the proposed improvements for a length of 10.351 Kms, for withstanding to the traffic intensity and to maintain the road without public criticism.

2. The Engineer-in-Chief (R&B) State Roads, Hyderabad, while submitting the proposal for the subject work has certified that the Stage-1 approval is not required as detailed investigation completed and design are finalized. No land acquisition and shifting of utilities are required for taking up the subject work without interruption. He has therefore requested to accord Administrative Sanction for an amount of Rs.800.00 Lakhs for the work "Improvements from Km.0/0 to 10/4 of Chittoor Bypass road connecting Chittoor – Kadapa – Kurnool road (NH-18) and Chennai – Chittoor - Bangalore road (NH-4) in Chittoor District" under Plan SH Scheme duly providing additional funds.

3. Government after careful examination of the proposal of Engineer-in-Chief (R&B) State Roads, Hyderabad, hereby accord administrative sanction of Rs.800.00 Lakhs (Rupees eight hundred lakhs only) for the work "Improvements from Km.0/0 to 10/4 of Chittoor Bypass road connecting Chittoor – Kadapa – Kurnool road (NH-18) and Chennai – Chittoor - Bangalore road (NH-4) in Chittoor District" under plan SH scheme duly providing additional funds.

4. The expenditure sanctioned in Para (3) above shall be debited to the Head of Account: 5054 – C.O.L on Roads & Buildings, 04 – District and Other Roads, MH -800 – Other Expenditure, GH-11 – Normal State Plan, SH (08) – State Highways, 530 – Major Works, 531 – Other Expenditure.

5. The Engineer-in-Chief (R&B), State Roads, Hyderabad, shall take further action accordingly.

6. This order issues with the concurrence of Finance (Expr.PW) Dept. vide their U.O.No.34789/1257/A2/Exp.pw/2013, dated:09.01.2012.
